January 2019

Dear Sirs,

We know what a challenge it is to put together a fundraiser. Let us take the hassle out of it for you. We have a fun and easy fundraiser for you.

All you have to do is schedule a weekday with us at our North location, we send you a flyer and you spread the word throughout your organization. All that is needed is either a printed copy of the flyer or an electronic copy to show your server. We will donate 15% of all of your sales for the entire day/night to your organization. Your donation check will be ready for you on Friday, same week as your D2D.

That is 12 ½ hour fundraiser with minimal work on your end. No scheduling volunteers. No stopping in every business in town for a donation. No gift bags to be made or baskets to be wrapped. All you have to do is email your friends and family the flyer.

We strongly believe in helping our community and this also helps the community “shop local” and helps us out. It’s a win on both ends.

There is only one stipulation. The flyers cannot be handed out on our property, if we catch anyone handing them out in the parking lot or outside of our establishment the fundraiser is null and void.

Please contact us to book your event. We look forward to feeding you.

Sincerely,

Jimmy & Barbie Garruto
